Dear Stan:

STAT It was nice of you to write on behalf of [] one of my applicants seeking a nomination to the United States Naval Academy for the 1979 entering class.

STAT I can appreciate the concern of interested persons such as yourself to see that [] is afforded every opportunity to realize her goal as a Naval career officer. The fact that you think so highly of this young lady certainly speaks well of her, and it will be called to the attention of my Academy Review Board.

STAT Let me assure you, [] application will be given every careful consideration.

With kind regards,

Sincerely,

Charles McC. Mathias, Jr.
United States Senator
